

## EMF EXPERT CERTIFICATION Training Course Evaluation

These brief evaluation questions are intended to help us make our training the best it can be. We strive to continually improve and to deliver increased value, and we appreciate your general feedback or any suggestions you have for improvement (confidentiality assured).

What aspects (content or topics) of the training did you personally or professionally value most? Least?

-

Anything in the course material you would've liked to see more of? Or less of?

-

Any suggestions you have to improve the educational material, presentation method, or the presenter's delivery?

-

Any advice you'd give to someone considering taking this certification training?

-

Other Comments or Suggestions?

-

We also welcome your firsthand testimonial mentioning specific things you especially appreciated or enjoyed about your training experience. **Please let us know if we we have permission to include your name, location and photo** – or how you would otherwise like your words to be credited. Impromptu video testimonials, sent from your phone, are also welcome for posting on our Facebook.com/findemfexperts, or emailed to us.

**Thank you for this extra thoughtfulness in supporting our outreach**, we really appreciate your time and care in offering your insights to others who are considering our training, *Chris*
